

# NOTICE

You are disturbing the peace and violating the governor's mask mandate by harassing an unmasked individual. Please refer to the Washington State Coronavirus Response website for more information.

FAQ from the website:

**I have a reason I cannot wear a face covering. Am I required to document or prove that?**

*No, the order does not require you to document or prove a reason for not wearing a face covering. If a business won't allow you to enter their office or store, ask them what accommodations they can provide such as curbside pick-up, delivery or virtual meeting options.*

**What should I do if I see someone not wearing a mask?**

*Nothing. Some people have conditions or circumstances that would make wearing a cloth face covering difficult or dangerous. Just wear your mask and stay six feet away.*

**Should I say something if someone near me isn't wearing a face covering?**

*No. Someone may have a medical reason for not wearing a face covering. Whether those around you are wearing face coverings or not, focus on keeping 6 feet of distance between you and washing your hands often.*
